

## Supporters update - February 2010

Welcome to the February edition of the All Supporters Newsletter. As ever, it's been a busy time here in the office and for both of the ships. Tenacious is enjoying her time out in the Mediterranean with some fantastic sailing and lots of new adventures while Lord Nelson continues to benefit from lots of TLC during her refit.

Here at the office we're looking forward to 2010, planning celebrations from 1st September to start Tenacious' 10th year and looking forward to showing off the updated Lord Nelson to the first voyage crew on Thursday 1st April.

### Reunion

The Jubilee Sailing Trust (JST) Reunion at Novotel Hotel, Southampton, is the perfect occasion to meet up with old shipmates and meet new people.

The opportunity to attend is open to all the JST supporters, which means that even if you've not sailed before you'll have the opportunity to chat with plenty of people who can give you advice on what to expect or regale you with tales of their JST experiences.

The party starts at 5pm and the ticket price of £25 includes a hot fork buffet and music.

Don't worry if you think Southampton is too far to travel in a day, Novotel are offering special rates on their rooms for anybody that attends the reunion.

To book your place now, or for any enquiries call Matt on 023 8044 9108 or email [matt@jst.org.uk](mailto:matt@jst.org.uk)

### Information on Caribbean Voyages to be released to Friends

### Book your places on Nellie's first voyage after a fabulous refit

We're nearly two thirds of the way through the Lord Nelson refit and we now have a beautiful new Bridge Deck made completely from recycled Teak, so we're doing our bit for the environment!

The wood was sourced from a house in India which was demolished before a rebuild project. The teak was taken from the roof beams and floorboards of the house and was transported to the UK for another project. The excess wood was then used for the brand spanking new bridge deck in Lord Nelson.

The fo'c'sle accommodation has also been transformed, now with lots more space and no more pipe cots.

You can keep up to date with [news from both of the ships](#) online.

### Update on 800 Challenge

Many of you will be aware that in 2009 we set up the 800 Appeal, challenging 800 people to pledge to raise £1000

We're now getting ready to send out a special preview of our 2011 Caribbean voyages to those of our supporters who are signed up to our Friends scheme. The general programme will be released in May so if you are a Friend make sure you keep an eye out for advanced programme details in the next month and take advantage of the reduced costs for early bookings.

If you want to receive these details and are not already a Friend it's simple to become one. Whether you choose to support Lord Nelson, Tenacious or the JST as a whole, Friendship will cost you £36 per year, payment of which can be spread over the year at £3 per month. As well as getting details of the voyage programme in advance you'll receive other benefits, such as discounts from our partners and invitations to special 'Friends only' events.

By becoming a Friend of the Trust and making a regular donation, you can help us continue our work changing lives at sea.
